

Learn Finnish quickly and effectively!

Finnish Language Course – Advanced

10 August – 16 October 2026

Content

We will continue studying the basics of the Finnish language. We will speak, listen, read, and write in Finnish. We will also get to know Finnish society and culture, as well as the history of Finland.

The program includes 25 lessons per week. You'll spend an additional 2–3 hours a day studying independently.

The goal is to reach the language levels A1.3–A2.1.

For whom?

The course is for students who already know some basic Finnish. You do not need to speak Finnish fluently yet.

You can also apply if you are a customer of the Employment Services (TE-palvelut) or you have an integration plan.

Location and accommodation

Haapaveden Opisto is a folk high school in Haapavesi, North Ostrobothnia.

You can also have your meals on campus and stay in our dorm!
